SMART STORAGE

If your paper records could do with a fresh eye and a firm hand, then it's time you talked to us.

All Pharmaceutical organisations have a requirement for good records management but many have difficulty in finding a supplier that understands their needs. Some use a 'big name' archiving company, but find themselves paying a high price for poor service.

Whitefoot-Forward offers the solution. One of the UK's most innovative and respected independent records management specialists, we'll work quickly and quietly to get your records sorted:

- collection and indexing to your specification
- secure, bar-coded storage
- swift, flexible retrieval and delivery
- nationwide delivery – own fleet
- cost-effective prices
- on-line ordering via our web portal
- tailor-made reporting
- fully documented SOPs
- proactive, personal approach

Using the resources of Rammell Consulting we have implemented procedures that make us compliant with all the regulations for Pharmaceutical records management.

With Whitefoot-Forward, smart storage starts here.
